## Introducing Our Novelties and Innovations at TECHAGRO 2018

From the 8th to 12th April, BEDNAR FMT will introduce 16 machines over an area of 1,236 m<sup>2</sup> of the Brno Fairgrounds. The biggest attraction will be the OMEGA OO 8000L seed drill and the set of the new pressurised FERTI-CART FC 3500 with the TERRASTRIP ZN 8R/45 eight-mouldboard chisel plough.

We would like to invite you to the trade fair

### What Can You Look Forward to?

You will find the latest BEDNAR machines and innovations at Stand 6 in Pavilion P. You will see a complete technological line for soil cultivation, machines for post-harvest management, inter-row cultivation, seeding and fertilisation. Furthermore, we will also introduce the major novelties introduced last November at the international AGRITECHNICA exhibition in Hannover, Germany.

### Together Cheaper at TECHAGRO
